### What is Sensory Wellness and how can it assist your organisation?

The Rival Industrial Wellness division is headed up by leading Occupational Therapist – Paula Barnard. She has extensive knowledge within the field with over 10 years of clinical experience and lecturing. She is one of the few Sensory Integration (SI) trained therapists practicing in the field of Corporate Wellness, thus offering a unique view of the field. **Sensory Wellness** is a workplace wellness system based on the theory of Sensory Integration (Dr. A Jean Ayres OTR).

Sensory Wellness provides standardised psychometric assessment (the Adult / Adolescent Sensory Profile by Winnie Dunn, 1994) and intervention resulting in appropriate, optimal work environment changes, job placement, coping strategies, and stress management at home and work.

Please tick appropriate and complete the form below.
